TENACIOUS TAPE[®]

Tears and rips can happen, especially when you're active. Tenacious Tape, our line of repair tapes and patches, are ready for nearly any kind of slash, cut, crack, or break in your nylon, silnylon, polyester, neoprene, vinyl, rubber and GORE-TEX fabric gear. Choose from peel-and-stick or iron-on options that are both washable and weatherproof for extreme durability. Keep visible and safe with Tenacious Tape Reflective.

NEW

WORLD'S FIRST SILNYLON PEEL'N'PATCH

"It's now easier than ever to repair high-tech, lightweight gear with our Silnylon Patches," says Christian Rudolph, GEAR AID product manager. He adds, "There's nothing quite like it on the market today. It's a quick fix to extend the life of silnylon tarps, tents, backpacks and dry sacks."

NEW

Repair Hex Patches

Reach for Tenacious Tape whenever a tear or rip happens. Quickly fix tents, ski pants, or puffy coats with this strong, weatherproof tape that comes in GEAR AID's signature hex shape. The unique design allows for technical repairs, able to be placed along seams and zippers without hand trimming. Backed by an ultra-aggressive adhesive, it won't peel off when applied to technical fabrics including nylon and vinyl. The small hex is perfect for baffles on down sweaters, sleeping bags, and backpacks while the large hex fixes bigger repairs on tents, sleeping pads, and waders. Neutral colors blend in on traditional outdoor and hunting fabrics; bright options in blue, green, and orange add vibrancy to your gear; solid black is perfect for dark fabrics; clear works for nearly transparent repairs on any color fabric.

REVIVEX[®]

Keep your gear performing just as well as it did on day one. Our line of Revivex cleaners, conditioners, and protectants can restore your gear, make it last longer, and help you be more comfortable in whatever kind of outdoor activity you do, from hiking, fishing, kayaking, or even just walking from your car to your office.

PROTECT GEAR

"Wow is all I can say, no need for a poncho with this waterproofing"

Pro Cleaner

Cleans technical garments, sleeping bags and tents. Restores breathability without impacting DWR on GORE-TEX® fabrics. A 250 ml bottle washes approx 16 jackets.

36295 Bottle 250 ml

+

NEW

Durable Water Repellent

Restore DWR to outerwear, tents and GORE-TEX® garments. High-performance formula is PFOA and PFOS-free and repels water, oil, stains and dirt.

36225 Pump Spray 500 ml

NEW PFAS-FREE FORMULA

UV Protectant

Protect tents, kayaks and outdoor gear from UV damage. Prevents cracking and fading, and restores colour and shine. Use on plastic, nylon, neoprene and more.

22795 Pump Spray 120 ml
22798 Bottle 355 ml

With exposure to sunlight, saltwater, and chlorine, synthetic gaskets degrade over time due to the loss of structural oils called plasticizers. Proper protection with REVIVEX UV Protectant is essential for maximizing scuba gear life.

UV Protectant is safe on all kinds of synthetic and latex materials including fabrics coated with urethane or silicone

GEAR TIP

Regularly washing your technical outdoor gear with a specialized cleaner will remove dirt and grime, and help revive the Durable Water Repellency of your gear. Just spray-on and let air dry for 24 hours. No additional heat needed anymore.

Which Water Repellent is Best for Your Boots?

Selecting the right boot treatment is crucial to keeping your boots in top-notch condition - this choice will impact the durability, appearance, and performance of your footwear. To help you make an informed decision, let's discuss three different water-repellent boot treatments from GEAR AID and which type of boots they are best suited for.

Leather Water Repellent

Protect and condition full-grain leather boots, shoes and gloves. Gel formula soaks into leather for an all-season solution to drying, cracking and rain.

36260 Bottle 120 ml

Suede + Fabric Water Repellent

Protect suede, nubuck, and fabric footwear from water, dirt and stains. Gentle formula maximizes breathability and is safe for GORE-TEX® fabric.

36269 Pump Spray 120 ml

NEW PFAS-FREE FORMULA

Rubber Boot Treatment

Condition and protect rubber and neoprene boots from drying, cracking and UV exposure. Also prevents blooming and restores shine.

22600 RB Treatment 120 ml

Leather Wax

Leather proofing + conditioner for all full-grain leather equipment, footwear + saddles etc. Contains 100% natural ingredients: vegetable oil, tallow, beeswax, carnauba wax and lanolin. Suitable for footwear with breathable membranes such as GORE-TEX® and GORE-TEX® XCR® footwear.

36200 Container 100 ml

REVITALIZE GEAR

"This detergent really blew me away...our old jackets are good as new!"

Pro Cleaner

Cleans technical garments, sleeping bags and tents. Restores breathability without impacting DWR on GORE-TEX® fabrics. A 250 ml bottle washes approx 16 jackets.

36295 Bottle 250 ml

NEW

Durable Water Repellent

Restore DWR to outerwear, tents and GORE-TEX® garments. High-performance formula is PFOA and PFOS-free and repels water, oil, stains and dirt.

36225 Pump Spray 500 ml

B.C.D. Cleaner + Conditioner

Removes bacteria, salt and chlorine crystals from buoyancy compensator devices (B.C.D.). Safe to use on all dive equipment and scuba gear. A 250 ml bottle is enough for approx 8 washes.

34120 Bottle 250 ml

GEAR TIP

It is important that you use a specialized cleaner for technical fabrics. Mass-market detergents contain additives such as foaming agents, optical brighteners, dyes, enzymes and fragrances etc. They can leave residues on fibers that can potentially impact fabric performance, particularly water repellency.

The advantage of specialized cleaning products: They are engineered to rinse away thoroughly without depositing residues.

(American pouch packaging - not available in Europe yet.)

Wetsuit + Drysuit Shampoo

Cleans and conditions wet suits, dry suits, booties and gloves. Prevents premature aging and oxidation of neoprene gear. A 250 ml bottle is enough for approx 16 washes.

30122 Bottle 250 ml
 30821 Fish Bowl 60 x 15 ml
 30822 Refill Pack 60 x 15ml
 30814 Travel Packs 750 x 15 ml
 30130 Container 5 L

Odor Eliminator

Deodorizes wet suits, tents, garments, footwear and sports equipment. Water-activated microbes remove odour caused by mould, mildew, sweat, and bacteria. A 250 ml bottle is enough for approx 16 washes of clothes.

36134 Bottle 250 ml
 36121 Fish Bowl 60 x 15 ml
